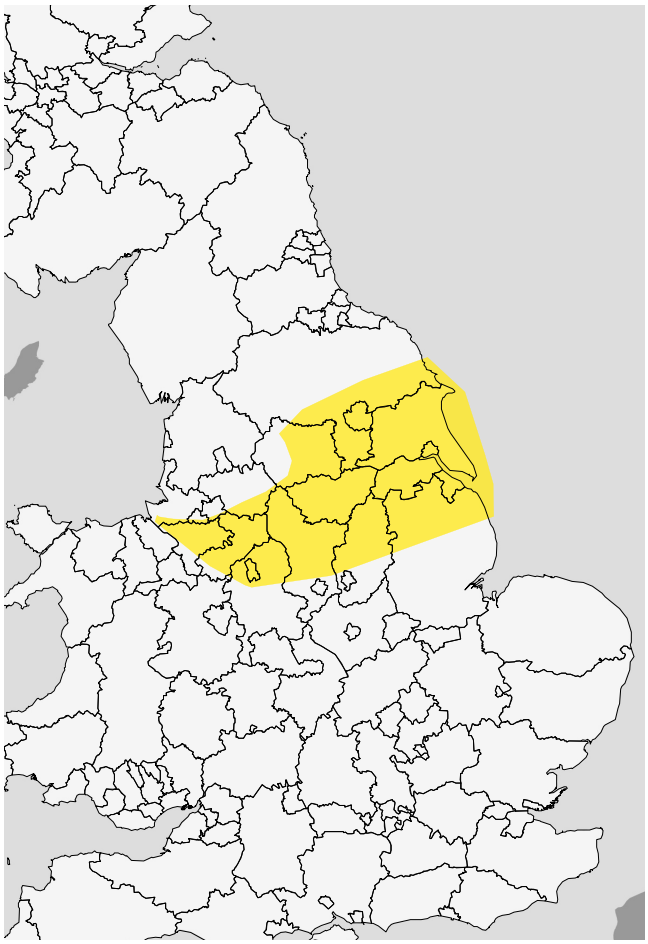
Yellow warning
Thunderstorm

Between
13:26 Wed 28 Jul 2021 and
19:00 Wed 28 Jul 2021



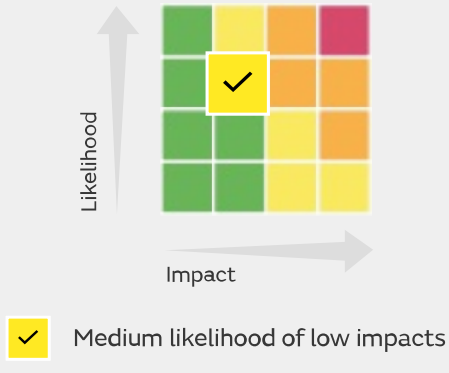
Scattered thunderstorms may cause some transport disruption this afternoon.

What to expect

- Some flooding of a few homes and businesses likely, leading to some damage to buildings or structures
- Probably some damage to a few buildings and structures from lightning strikes
- There is a good chance driving conditions will be affected by spray, standing water and/or hail, leading to longer journey times by car and bus
- Delays to train services are possible
- Some short term loss of power and other services is likely

Further details

Thunderstorms have developed across parts of the north Midlands and northern England this afternoon and are expected to continue until early evening. Whilst some places will remain dry, a few locations are likely to see 20-30 mm of rain fall in an hour. Additionally, hail up to 2cm in diameter is possible as well as frequent lightning.



Medium likelihood of low impacts
